Spring 1 Curriculum overview 2024

Curriculum Area	Focus this half term	Opportunities for home learning
English	Writing Root: 'Percy Jackson and the Lightning	The expectation at St.
	Thief' by Rick Riordan.	Michael's is for every child to
	The continuation of this book provides an opportunity	read out loud to someone at
	for the children to further explore a variety of character	home at least three times a
		week. Please ensure that you
	and setting developments. Following Reading for	sign the reading diary.
	Research into Greek Gods, the children will complete the	
	sequence by writing an extended narrative 'in role' as an	Please see the question
	invented demi-god. This also provides in-depth revision	prompts inside your child's
	of the following GPS requirements: relative clauses,	Reading Record to support
	modal verbs, expanded noun phrases, informal and	understanding of the text and
	formal speech, commas to clarify meaning and semi-	how to engage further. These
	colons, colons or dashes to mark boundaries.	questions are linked to the
		comprehension skills needed
	Spelling:	in KS2.
	Words ending in -ant, -ance, -ancy	Practice and investigate
	Words ending in -ent, -ence, -ency	Practise and investigate
	Spell some words with 'silent' letters [for example,	spelling rules: can your child find any examples in your
		books which match the
	knight, psalm, solemn]	spellings we are studying in
	Homophones and other words that are often confused	class? Send them in for our
	Apply their growing knowledge of root words, prefixes	spelling wall. Can they find
	and suffixes (any exceptions to the
		pattern/rule?
		Further opportunities for
		reading and writing activities
		are listed in the reading
		Diaries' for optional home
		learning tasks.
Maths	Multiplication and division	
	• Multiply up to a 4-digit number by a 1-digit number	
	 Multiply a 2-digit number by a 2-digit number (area model) 	
	• Multiply a 2-digit number by a 2-digit number	
	 Multiply a 3-digit number by a 2-digit number Multiply a 4-digit number by a 2-digit number 	
	 Multiply a 4-digit number by a 2-digit number Solve problems with multiplication 	
	 Solve problems with multiplication Short division 	
	 Divide a 4-digit number by a 1-digit number 	
	 Divide with remainders 	
	Efficient division	

	• Solve problems with multiplication and division
	Fractions
	 Multiply a unit fraction by an integer
	 Multiply a non-unit fraction by an integer
	 Multiply a mixed number by an integer
	Calculate a fraction of a quantity
	• Fraction of an amount
	 Find the whole
	Use fractions as operators
Science	Properties of Materials
	 Magnetism, Transparency and Hardness of Materials
	 Electrical Conductivity of Materials
	 Thermal Insulators
	 Properties of Plastic, Wood and Metal Link to Their Uses
	Animals, including humans
	 Human Life cycle
RE	
KE	What did Jesus do to save human beings?
	 The notion of salvation is fundamental to Christianity.
	• Genesis 3:1-7.
	 Suggest meanings for narratives of Jesus' death/resurrection comparing ideas with
	ways in which Christians interpret these texts.
	 To understand that Jesus' words give Christians a foundation for living.
	• Make clear connections between Christian belief in Jesus' death as a sacrifice and
	how Christians celebrate Holy Communion.
	• Can we live by the values of Jesus in the 21st Century?
Historu	
History	Key aspects of physical geography including climate zones.
History	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map
History	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks
History	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes
History	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes
	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes Climate change, extreme weathers and Global Warming
History PE	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes
	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes Climate change, extreme weathers and Global Warming Dance
PE	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes Climate change, extreme weathers and Global Warming Dance Respecting ourselves and others
PE	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes Climate change, extreme weathers and Global Warming Dance
PE	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes Climate change, extreme weathers and Global Warming Dance Respecting ourselves and others Responding respectfully to a wide range of people; recognising prejudice and discrimination to recognise that everyone should be treated equally
PE	 Key aspects of physical geography including climate zones. Revision of continents, oceans and seas on a world map Orientations of the world and satellite imagery to locate key landmarks The Earth's core, tectonic plates, earthquakes and volcanoes Tsunamis, hurricanes and tornadoes Climate change, extreme weathers and Global Warming Dance Respecting ourselves and others Responding respectfully to a wide range of people; recognising prejudice and discrimination
