

St. Michael's C. of E. Primary School

Friday 2nd July

www.stmichaelscofe.co.uk

“These all look to you, to give them their food in
due season”
Psalm 104:27

The wait is over

Class allocations are here. In each case, I have always put the children first and then worked with the staff that I know I have for September. Miss Woulfe is returning from maternity leave to work alongside Mrs Farran and this week, I have appointed Miss Manning to work with Madame Betteridge as Mrs Brinkley begins her maternity in September.

If you are wondering about Mr Brownsell and Mrs Marsh, both are still with us but working in different roles which will continue to add great value to the children they work with.

Current class	New Teacher(s)	New class name
RMB	Miss McCarthy	1M
RW	Mrs Gardner & Miss Kew	1GK
1F	Mrs Worboys	2W
1M	Mrs Farran & Miss Woulfe	2FW
2GK	Miss Bland	3B
2W	Miss Hardy	3H
3B	Mrs Jenkins	4J
3H	Miss Manning & Mrs Betteridge	4MB
4B	Mrs Burrows	5B
4J	Miss Reid	5R
5M	Mr Bird	6B
5R	Mrs Lockhart	6L
New Intake	Mrs Bruce & Miss Rolfe	RBR
New Intake	Miss Worster	RW

The support staff have also been made aware of which classes they are working in, and as we are still unsure of what school restrictions there may be in September, we have again started from the point of what is best for the children and then kept staff within one year group.

Looking a little further ahead in this term, if we dare, into the final week, we still hope to hold our Sports & Community Day. KS1 and FS will take place in the morning while KS2 have the afternoon to compete. For anyone who has children in both groups, you are welcome to stay for the whole day, otherwise the gates to school will be opened and staffed from between 12:00 and 1:00pm to allow parents to leave and enter while keeping the children safe.

That week, we also have a different menu which will be shared in good time. Reason: the kitchen is being refitted over the Summer, so Chef and his team need extra time to sort out what they need to retain and relocate fridges and freezers. While we are very excited to finally have this project begin, it will continue to impact on what we can provide into the Autumn term – most likely this will be baguettes or similar only, as we will have no working ovens until the whole project is completed, hopefully by the end of September.

Andrew Cumpstey

Wonderful “Friends of St Michael’s”

Many of you will have seen the transformation that the FOSM have made to the front of the school, but if you access the site from Clare Road or The Flich, I urge you to take a detour to see it for yourself; these pictures don't do it justice but do give an idea of the progression from a wasteland to something fabulous.

1) The early, basic sketch for what we might do with a previously unused and unloved area.

2) Weeding and tyres alone made a noticeable difference to what was there before.

3) A friend with a rotavator gave them a blank canvas to work with – action stations.

4) The initial mapping out of the main structure with the all-important weed membrane.

6) Plants in, bug hotel erected, water fountain working; decorative elements done!

5) Finished with gravel, slate and bark plus a great seat to enjoy it with and from.

Thank you, thank you, thank you!
Unrecognisable.

Please come and enjoy it, and tidy up any stones or bark that creep out of place as you do.
